SESSION SYNOPSIS OF APRIL 27, 2022

Your Clerk of Session is indeed very glad to be back from Florida (despite the usual unpredictable spring weather!), but before sharing details of the April meeting, I want to give a huge shout out and thank you to Jim Hubbard for doing such an excellent job of filling in during my absence. He definitely understands the importance of communication and did a fantastic job of keeping you all informed about Session's activities. Thanks, Jim!

The April meeting was long but with much good conversation and many positive decisions made by the nine elders present. **Elder Training** began with a discussion of the article *Highlighting the Verbs*. Conversation centered on the verbs in the first question each was asked during ordination: "Do you trust, acknowledge, and believe in Jesus Christ?" Elders shared how concentrating on the verbs changed their perspectives and helped them remember that Jesus *IS* Lord of all and head of the church. Keeping that in mind when making decisions makes it easier to take the right action and not dwell on the "why's." Other important verbs are *serve, respond, love, receive, act*.

HOLY LIVING ~ TEAM OF THE MONTH ~ BUILDING & GROUNDS (Marc Buehler, Vic Klancer)

(Each month one of the Ministry Teams takes responsibility for describing their work and responsibilities, are prayed for by the other teams and report how that felt, what they learned being in prayer for the wider community, and give reflections on worship)

- Marc and Vic shared that being prayed for brought a sense of relief and gratitude, often resulting in many prayers being returned. They were thankful but also felt the need to keep priorities in perspective, as there are so many things to pray for.
- Praying for the community challenged them to carry our Christian message out into that community which is hard but then sometimes offers the opportunity to share faith stories with others who might not hear them otherwise (this also allows others to open up to us).
- Easter services were fantastic, 'Humor Sunday' was a new concept, and recent liturgist Johnny Lawson (March 27) was so inspiring, impressive and sincere: the Holy Spirit is working in us and in our church!

REGULAR BUSINESS

- Accepted were the reports submitted by Ministry Teams and Staff, and approved were Minutes of past meetings, including an email motion to support a pop-up mission to collect items for **Hoosier Burn Camp** to help them with their summer camp needs.
- Continued the process for scheduling **Communion Servers** for the rest of 2022. An email blast has gone out seeking volunteers to fill remaining slots. Reminder: *Any ordained Elder or Deacon is eligible to serve communion* so if you are eligible but have not yet signed up to serve, you are encouraged to **sign up** in the Hospitality Room or call the church office.
- Pastor Kim has been invited to apply to the Wabash Leadership Program, and a motion encouraging her to submit an application was unanimously approved.
- The church is in need of a **Wedding Coordinator**. A job description will be created for this volunteer position, and if anyone in the congregation is interested, please contact Church Administrator Dawn Scarborough in the office. It is possible that job descriptions could also be created for a Funeral Director and a Kitchen Coordinator, if anyone is interested.

iEngage Team

- Asking permission to use \$1,180 from account number 8233 to purchase two (2) new – Shure GLX-D hand-held wireless vocal mics and associated hardware. - Dedicate finance account 8-206 Sacred Space and its balance of \$5,000 given with the intent to implement the visioning work of the CVT, and invite contributions to this account from the congregation for this suite of chancel furniture as a special project, outside the current budget and other reserve funds, and prior to final plans for capital improvements. Down payment of \$13,800 will accompany the signed contract when returned on an expected contract price of \$34,500 for all pieces. (Approved)
- Publicize the vision and drawings to the congregation through the efforts of the Chancel Visioning Team, including a Minute for Mission, Tidings, Facebook and other venues with the help of iEngage that describes the intent for this special project to refresh our worship space and add a visible sign of vibrancy as we envision our worship and congregational life for years to come. (Approved)

**HISTORY & WALKING TOUR OF
FIRST PRESBYTERIAN CHURCH OF
VALPARAISO**

A new program covering FPC's History and a walking Tour of the church will be held June 12, 2022, immediately following the 10:00 a.m. service in the Friendship Room. All new and not-so-new members and friends are invited to attend.

The highlight of this May meeting was a visit by **Emily Golding** as one of two confirmands this year. Teachers Ken and Heather Crews presented Emily following her completion of the two-year Confirmation Class, and she shared her Statement of Faith. (Many of you may have also been blessed to hear Emily *and* **Aiden Andrews** share during Worship on Confirmation Sunday, May 22.) Usually, Elders will then question a confirmand, but instead they expressed admiration and appreciation for Emily's wisdom and her ability to not just parrot back what adults want to hear but rather express exactly where she is on her faith journey. She was unanimously approved for membership and enthusiastically welcomed into our congregation. (Aiden was unable to attend this Session meeting but participated in the Worship service and will meet with Session at a future date for acceptance into membership.)

A second highlight was the presentation of a nearly final draft of the **MIF Report** which the Associate Pastor Nominating Committee will send out to potential pastor candidates. Co-Moderators Cathy Greenawald and Jim Hubbard opened the floor for discussion after which Session approved the report and instructed the APNC to move forward with the next step of the process, submitting the report to Presbytery.

Elder Training included discussion of another question asked during ordination: *Do you accept the Scriptures to be, by the Holy Spirit, the witness to Jesus Christ in the Church universal, and God's Word to you?* Elders reminisced about their first Bibles (many were *King James* version); about what they have learned about God from Scripture (God literally speaks to us but through metaphors); and how their understanding of Scripture has deepened throughout their faith journeys (Scripture is a living, growing, ever-changing document that meets us where we are at any given moment).

REGULAR BUSINESS

- Accepted reports submitted by Ministry Teams and Staff and the transfer of members Jackie and Bob Bernal to Greencastle Presbyterian Church, and approved April Minutes.

MOTIONS

Personnel

- Recommended Jeff Whitney receive a 1.5% increase to his base compensation effective May 1, 2022, upon his completion of one year in the role of Director of Worship Music (now a part of his total role as Director of Worship Music & Digital Ministry) and his very satisfactory performance in that role. **(Approved)**

Finance & Stewardship Team

- Upon recommendation of the Vibrant Congregations Taskforce (J. Hubbard, C. McAloon, L. Karabel, L. Long, D. Andrews, Pastor K. Adams) and the Finance Team, receive a \$5,000 grant through the Synod and three presbyteries as 4011 Miscellaneous Income, and restrict its use to 8243 Special Projects, to engage Rev. Jessica Young-Brust (our Taskforce coach for the past two years) as facilitator for a Session retreat and congregational conversations about what it means to be a vibrant congregation during these transitional times. **(Approved)**

HOLY LIVING

CONGREGATIONAL NOMINATING COMMITTEE ("NOM COM")

The Congregational Nominating Committee, the CNC or Nom Com whatever name you choose to call us, is a committee who will reach out to FPCV's congregation in the hopes of electing our next class of Elders and Deacons. We consist of 2 Elders (one is moderator for the current year and the other is vice moderator to step up into the moderator seat next year), a deacon representative and 4-5 at large members. We are a 1 term committee. We meet once a month where we discuss potential candidates for the positions and reach out to them in the hopes they feel called to serve. We then report back to session once each vacancy is filled. Installation of the officers is usually held in January.

MOVING FROM VISION TO THE HEART OF OUR SACRED SPACE

Erich Thompson of Sacred Spaces is crafting a suite of artisan furniture for our chancel as the first step to enhance our worship space. Erich, a Presbyterian minister, listens to the dreams of congregations and crafts those visions into oak and mahogany chancel furnishings.

- We are starting with the heart of our worship space, that place where the Word is read and proclaimed, children of God are baptized, and we share the Feast at the Lord's Table under the Risen Cross.
- If you will help fund this special project, please note **Sacred Space** on an envelope, or the memo line of your check; or
- Indicate Sacred Space for online or text giving:

<https://onrealm.org/FirstPresbyteri76732/give/SacredSpace>

Text "FPCVALPO SacredSpace" to 73256 using your mobile device and choose Sacred Space as the fund.

"Creating sacred spaces is about figuring out how to manifest the belief that Jesus is important... you create... sacred spaces in which God and humanity meet." *Bruce Reyes-Chow, former moderator of PCUSA General Assembly*

FRESH AND BRIGHT!

A fresh painting is like a fresh start! Our permanent fence around Calvary Hope School and Church is clean and bright. We are thankful to all of you who have given to make our school more secure.

Throughout the area, there have been many dangers. To have a secure fence all around the school “cements” the safety issue. Within our walls, each student can feel safe and secure.

Learning can take place knowing there is security and stability.

We want Calvary Hope School to be a place where our students can get off the streets, into our classrooms and learn and grow. They are future leaders in their families and in their communities – even their country!

You are supporting this story in Kenya! These beautiful walls are a gift that you have helped build. Pastor Henry tells me they will have more words and pictures on them. When he sends pictures, I'll share them with you.

Our children deserve to have a place to learn about themselves and the world around them. Keep praying with us that as the kids walk through these walls, they will also discover that Jesus loves them and they are His children. To know they are loved gives hope and freedom. Knowing you are loved gives confidence to pursue who God made you to be!

2 Peter 3:18 says, “Grow in the grace and knowledge of the Lord Jesus Christ.” This is our prayer for all of our students.

Keep praying with us. There is much to do to empower our kids to flourish!

Socrates said, “Education is the kindling of a flame, not the filling of a vessel.” Come kindle flames with us!

MATTHEW 25 REFLECTION

“**MATTHEW 25 REFLECTION**” presents information chosen by our Matthew 25 Team to inform and inspire our church family to actively engage in activities and with initiatives that reduce poverty and racism in our local communities and beyond.

In April, we looked at the inequalities that exist today in Housing and Home Ownership because of the Structural Racism that still exists in the way business, political, and societal interactions play out. One of the factors noted was the practice of **Redlining**. When the government sought to make mortgages more affordable back in the 1930s, thereby jumpstarting suburban living, the Homeowners Loan Corporation ranked neighborhoods giving high marks to all-white neighborhoods and marking those with minorities in red as risky investments. This practice, called **Redlining**, essentially eliminated most black people and other minorities from owning homes and building wealth. **Officially outlawed in the '60s, the practice of redlining in the housing market has really never gone away. This news article provides a current example.**

“Redfin Settles Housing Discrimination Suit.”

by Nicholoas K. Geranios (Associated Press: April 29, 2022/condensed)

Fair housing advocates on Friday announced a settlement agreement to resolve a lawsuit filed in Seattle federal court against real estate brokerage Redfin. Redfin operates in 95 markets in the U.S. and Canada and has generated \$195 billion in home sales.

The lawsuit alleged Redfin’s minimum home price policy violated the Fair Housing Act by discriminating against sellers and buyers of homes in communities of color. NFHA and the other plaintiffs alleged that policies that limit or deny services for homes priced under certain values can perpetuate racial segregation and contribute to the racial wealth gap.

In the lawsuit, Redfin was accused of systematic racial discrimination by offering fewer services to homebuyers and sellers in minority communities — a type of digital redlining that has depressed home values and exacerbated historic injustice in the housing market.

The housing organizations said that during a two-year investigation they documented that under the “minimum price policy,” Redfin was vastly less likely to offer realtor services, professional photos, virtual tours, online promotion or commission rebates for homes listed in overwhelmingly minority neighborhoods than it was in overwhelmingly white ones. Full services were not offered unless homes were listed for certain prices, which varied by market. When potential buyers clicked on homes that fell below those minimums, they received a message saying, “Redfin is currently unable to show this property.”

That meant homes in minority neighborhoods were likely to stay on the market longer and sell for lower prices, the lawsuit said.

Under the agreement, Redfin will change its minimum price policy, increase racial diversity in its workforce, advertise to reach non-white consumers, require agents to attend fair housing training, and pay \$4 million. Redfin stated that it preferred to spend money on fair housing than on litigation, and the settlement agreement was not an admission of liability.

PRAYER IN RESPONSE TO TODAY’S ARTICLE:

Lord, direct my thoughts and guide my response as I continue to gain insight into the injustice and inequality that continues to exist and expand in America because of Structural Racism. Amen.

Our Mission:

The Presbyterian Resale Shop sells high quality, gently used items at a fair price to customers in northwest Indiana. We strive to help those in need, to create a welcoming environment for our customers and to promote teamwork among our volunteers. Our goal is to provide funding to worthy service agencies and charities, locally and globally.

Sales at The Presbyterian Resale shop continue to be strong. Our total sales through mid-May are \$36,000. We have donated over \$18,000 already this year, including recent donations to Dunes Hospice, Geneva Center, Housing Opportunities, Kids Alive and VNA Meals on Wheels.

On Saturday, June 11 we will partner with Kids Closet, a ministry of the North Judson United Methodist Church. Their volunteers will work alongside our volunteers, and we will donate the sales for the day to Kids Closet. Working together we can do great things!

We appreciate the support of FPC. Whether you are a volunteer or a generous donor of goods, we thank you!

If you would like more information about our mission or would like to join us in our joyful work, please contact me.

WORSHIP NEWS

OPPORTUNITY – LITURGIST MINISTRY

Serving as the liturgist during worship is a ministry. We invite you to approach it prayerfully. This ministry is open to as many people as possible giving the opportunity to support our liturgists in this “work of the people” (the root of liturgy from Greek). Liturgists may read the Call to Confession and Confession of Sin, while the minister preaches the sermon, offers prayers, and blesses sacraments. Our liturgists are an important part of our worship, and demonstrate how we all minister to the community.

FINANCE AND STEWARDSHIP UPDATE JANUARY THROUGH MID-MAY 2022

IN APRIL, our giving provided:

- ♦ \$28,766 for the operating fund
- ♦ \$432 for our capital fund

Total expenses through April remain under-budget but exceed income by \$10,285 in the operating fund and \$6,346 in the capital fund

And so far this year by mid-May (YTD):

- ♦ \$26,693 includes gifts dedicated for The Second Mile monthly mission, Presby's, Presbytery Weekly Nursery School ("PWNS"), youth mission trips, Congregational Life's mission fund, major contributions for disaster assistance, and other mission projects
- ♦ \$12,955 toward the Sacred Space chancel furniture
- ♦ Annual distribution from our endowment funds managed by the Porter County Community Foundation provides \$12,929 allocated among music and supplies, mission & ministry, and scholarships; plus \$6,175 for our operating fund.

WHAT DOES THIS TELL US?

- ♦ Look and listen to what we are doing with our pastors and worship leaders, Christian educators, pianists and organist, choirs of bells and voices, instrumentalists with cello, violin or bongos, maintenance and repair team, tech leadership, administrators
- ♦ Celebrate what our generosity gives to others, like bikes with locks and helmets to reward good students, disaster assistance for a Kentucky church, or to relieve suffering from global disasters, war, weather or poverty, or reuse/recycle with resale items
- ♦ Consider our expectation that this is a transitional year, moving from pandemic-mode into its unknown financial consequences. Our pledged giving continues to exceed commitments because some have chosen to give above-and-beyond. Others who chose not to specify their giving in 2022 with a pledge are giving with generosity. Still others are considering whether they could increase their giving. Many faith-filled people give generously of their energy and vision and get things done, serving others.
- ♦ We are welcoming more new members and seeing more visitors
- ♦ We have flexible options to financially support our ministry, including some new ways, whether weekly, monthly, annually or ad hoc
- ♦ Traditional envelopes with cash or checks
- ♦ Credit or debit cards online: <https://onrealm.org/FirstPresbyteri76732/give/now>
- ♦ Texts from mobile phones: Text "FPCVALPO" to 73256 and follow the prompts
- ♦ Periodic gifts from retirement accounts after age 70 1/2, processed as "Qualified Charitable Contributions" that result in personal tax savings that could increase the gift
- ♦ Reserve funds have sustained our ministry and helped maintain our buildings and grounds these past couple of difficult years, primarily given through estate gifts arranged by those who came before us.
- ♦ We heard it from the Sending after the Sermon about *Come to Jesus*: "Take time to remember the incredible gifts we have been given, a table and feast of grace for all, and give thanks!"
