ANNUAL MEETING OF THE CONGREGATION AND ITS CORPORATION SYNOPSIS OF JANUARY 31, 2021

Thanks to the continuing COVID-19 Pandemic, FPC Valpo is becoming quite good at virtual meetings! At least 40 members called in via Zoom, with at least 10 of those being multiples, so we had more than 50 members meeting electronically!

A great deal of business and information was shared during this Annual Meeting of the Congregation, including the following:

- Annual Membership Report
Elder Trish Lawson highlighted this report, including a current total of 320 members (pp. 49-51 of the Annual Report).
- 2020 Financial Report
Elder Elizabeth Monroe gave an overview of a very difficult year financially which at times seemed as if it might be much worse than it actually ended! She expressed gratitude for everyone's continuing commitments to the ministries of FPCV (pp. 5-10 of the Annual Report).
- 2020 Annual Report
 - Although there were no questions regarding this lengthy report (52 pages!), Pastor Kim reminded members that it does give an excellent overview of every aspect of the ministry of our congregation and shows how God has been working in our midst despite the pandemic.
 - If you have not received your digital copy of this report, please let the Church Office know and one will be emailed.
- 2021 Operating Budget
 - Finance Moderator Lisa Pavlopoulos projected the budget onto the screen and shared insight into how hard the ministry teams worked to create the budget in these difficult times. She also explained the similarities between last year's "Faith Budget" line item and this year's "Unrestricted Net Assets," both used to reduce the deficit between projected expenses and revenues. Discussion included ongoing concerns due to the pandemic as well as applause for efforts by all to reduce expenses yet keep our facilities in good working order.
 - A copy of the budget can be emailed upon request.

 - Elder Sharon Kinsey presented the following names for Members-at-Large to the 2021 Congregational Nominating Committee:
 - ◇ Ginger Boys
 - ◇ Tracy Campbell
 - ◇ Connie Knauff
 - ◇ Dave Spitler
 - There being no nominations from the floor, this slate was unanimously elected.
- Terms of Call for Pastor Kim
 - Personnel Elder Ron Scott projected the Terms of Call which were approved by Session at their January meeting. Pastor Kim has requested to forgo the 3% raise that Session had approved but add one additional week of vacation. With changes in both insurance and pension requirements, the end result is a slightly lower salary than last year.
 - Following discussion, motion was made, seconded, and unanimously approved.

If you would like more information, please read the detailed minutes which will be *posted in the glass-enclosed announcement board* in the Hospitality Center once they are approved (and we are allowed back into the church!). SESSION SYNOPSIS

SESSION SYNOPSIS OF FEBRUARY 24, 2021

“*Surely the presence of the Lord is in this place!*” These words from a contemporary praise song definitely applied to this month’s Session meeting. Elders began by discussing two articles. The first, *Elders as Spiritual Leaders*, was an eye-opener in that many had not really thought of their roles as being spiritual leaders, but they truly appreciated the reminder that the church is much more than budgets and buildings. The second article, *Time for More Prayer, Less Talk*, emphasized the role of prayer in meetings. They were reminded that their purpose is to discern GOD’S WILL in all that they do and that “intentional group discernment” needs to be part of every decision they make. They might even need to “let go of their own thoughts and make room for God’s ways.”

This discussion of spiritual leadership lead directly into the new practice of *Holy Living* that Pastor Kim introduced last month. This month, prayers were offered for Mission and Matthew 25 Teams, and those moderators reflected on what it was like to be prayed for. Observations included:

- Best team meeting attendance ever!
- God has enabled moderator Ken McAloon to travel to Kenya by removing obstacles to his trip
- Opportunities to “dismantle systemic racism” have appeared
- It is *much easier* when we know we are being prayed for!
- There are no coincidences! God is in this!
- Being prayed for meant so much more than imagined
- Prayers are needed to determine how the Holy Spirit will guide them into the future

Also part of *Holy Living* is offering prayer for our community. Two Elders reflected that God responded in sometimes immediate ways! The best example of that was the issue of snow on the roof of FPC Valpo. The problem seemed insurmountable but within a short time following a plea on social media, fifteen volunteers responded and made short work of what had seemed a disaster. In the wider community, eyes were opened to needs regarding PADS and the Texas snow/cold disaster so quick responses were able to be provided, and the need for studying the issue of human trafficking presented itself. One Elder even wrote a powerful prayer for our understanding and work in the community asking for God’s help, support, and direction.

The third piece of *Holy Living* involves reflections on the worshipping experience over the previous month. Two Elders shared these observations:

- The January 31st service gave a fantastic glimpse into other multicultural worship services which are relevant to the Matthew 25 initiative; hopefully we can experience more of this!
- Online church has been extremely meaningful for many during this difficult period of the pandemic
- Communion table decorations are appealing, attractive, and appreciated!
- Services are showing a pro-kids focus and therefore also a multi-generational focus that appeals to many
- Music has been a wonderful blend of older and newer hymns as well as praise music and impressive signing by Emma!
- Sermons have provided much to think about

Truly, God’s presence has been felt in *many* places as your Elders joined the zoom meeting from across the city and even across the country to do the work of FPC Valparaiso! They are spiritual leaders you can and should be very proud of!

SESSION SYNOPSIS OF FEBRUARY 24, 2021, CONTINUED

Several other discussion topics included the following:

- Mission tithed the 10% of January's revenue, sending some of their dollars through Presbyterian Disaster Assistance to those affected by the Texas/Oklahoma/Louisiana storm
- iEngage will move forward in becoming compliant with music copyrights and they are looking into creating a branding of our image
- Motion was approved to allow Ken McAloon to raise funds for buying automotive parts and supplies he will be taking to Kenya in April; he will be teaching the Kenyans to rebuild the original engine for Pastor Henry's van
- An email from Presbytery thanked congregations for their generosity in funding *per capita* which supports all Presbytery activities (please look for this letter in its entirety elsewhere in *Tidings* to learn specifically what *per capita* pays for)
- In Finance news, January revenues exceeded expenses; restricted funds will be discussed in a March report; and finance policies are under review
- Motion was made, seconded, and unanimously approved to award Dawn a one-time bonus.

Closing **Joys and Concerns** included another huge thank-you to the members who responded so quickly to the call to remove snow from the building's roof during the Ash Wednesday snowstorm and prayers for an Elder's spouse who will be undergoing surgery next month.

If you would like more information, please read the detailed minutes which will be *posted in the glass-enclosed announcement board* in the Hospitality Center once they are approved (and we are allowed back into the church!). **In the meantime**, please contact any of the Elders and/or the Clerk if you have questions or are interested in further details.

Judy Hollar, Clerk

A NOTE OF GRATITUDE FOR PER CAPITA GIVING

*A big **THANK YOU** (and a simple please)
from
Presbytery Leader Jennifer Burns Lewis*

January 10, 2021

Dear Congregations of the Presbytery of Wabash Valley,

As one remarkable year closes and a new one begins, we want to thank you for your faithful support of per capita and shared mission support. 2020 was a challenging year, and the start of 2021 feels much the same. Your contributions to the work of the presbytery and the wider Church made a big difference, and we are grateful for the partnership we share. Our annual budget is based on congregations' contributions and we're able to do more when everyone plays a part.

Here's some of what you helped accomplish locally for your congregation and the 74 others in the presbytery:

- ◆ Technology grants to help congregations deliver online worship and online giving
- ◆ Mission Partnership grants to local congregations who are reaching out
- ◆ Support for pastors and congregational leaders through weekly Zoom calls for sharing pandemic resources and support
- ◆ Grant-writing for two major grants for congregational coaching
- ◆ Financial consulting for church treasurers and administrative staff
- ◆ Shared Zoom and other technology
- ◆ Resources for clerks of session
- ◆ Training for elders and deacons
- ◆ Nurture and education for elders seeking commissioning to preach and serve congregations
- ◆ Advocacy, resources and coaching for congregations in pastoral transitions

Your gifts accomplish a lot and we really couldn't do it without you. So, thank you.

Please convey our gratitude to your session and congregation. Please let them know that the presbytery is committed to honoring full participation in requests from sharing the requested percentage with Synod and General Assembly. When a congregation remits less than the amount requested (based on membership numbers you report in annual statistical reports) it is the presbytery's operating budget that is reduced. So, please, keep interpreting the presbytery's commitment to your congregation and **THANK YOU** for your faithful support in challenging times.

Yours in Christ,

Jennifer Burns Lewis
Visioning and Connecting Leader

A HEARTFELT THANK YOU

Dear Church Family,

Thank you so much for the beautiful birthday cards. Your thoughtfulness is much appreciated. I miss everyone from my church family.

In gratitude and blessings,

Marcelle Johnson

ALL ARE WELCOME AT THE TABLE

SUNDAY COMMUNION WILL BE SERVED

ON

MARCH 7, 2021

AND

PALM SUNDAY, MARCH 28, 2021

We will celebrate the Sacrament of Holy Communion on Sunday, March 7, 2021, and Palm Sunday, March 28, 2021 during the online worship service (via Facebook Live/FPC website/FPC Youtube channel) at 10:00 a.m. Pastor Kim invites all to the communion table in your home by bringing a piece of bread/cracker and a cup of juice/wine or whatever common elements you have to celebrate communion. This way, our faith community can be joined together for the sacrament even though we are physically apart.

Hi Friend,

I hope you know your church's participation in the CWS Blanket program makes a **HUGE** difference.

Congregations like yours continue to step in—literally—to cover our neighbors with kindness, love, and a warm blanket.

Because of your generous heart and faithful support last year, neighbors around the world received *that tangible* reminder that they now carry into this new year with them!

Through your church's blanket ministry, ***your light shines for all to witness God's love in action***; one way to do that is by hosting a *CWS Blanket Offering*. It's easy—just ask Pastor Luke Hyder of Cascade Presbyterian Church in Everett, Washington!

His congregation hosts CWS Blanket offerings, and he had this to say, "We have a church that believes, strongly, in how God calls us to love and reach out. ***CWS makes it so easy. We get great material that communicates the stories of what benefits this makes. If a church our size can do it, any church can!***"

Let's continue blanketing the world with love!

Until next time,

Matthew Stevens
Director of Congregational Giving, CWS

ONLINE GUIDE
For Red Cross Partners
Convalescent plasma

For use through March 31, 2021 (Updated Dec. 7, 2020)

As the U.S. experiences a new surge in COVID-19 cases, the American Red Cross needs your help to raise awareness of the need for COVID-19 convalescent plasma donations and blood donations from those who have recovered from COVID-19.

Background:

Convalescent plasma is collected from individuals who have recovered from COVID-19 and contains antibodies that might help patients actively fighting the virus. Increased hospitalization of patients with coronavirus this fall and winter has caused the Red Cross to distribute a record number of COVID-19 plasma products to hospitals treating patients who are battling the virus.

The Red Cross is testing all blood donations for COVID-19 antibodies, which helps provide insight to our donors concerning possible prior exposure to this virus. As part of this effort, plasma from whole blood donations that test positive for COVID-19 antibodies may now help current coronavirus patients in need of convalescent plasma.

POETRY/QUOTE CORNER

May today there be peace within.

May you trust God that you are exactly where you are meant to be.

May you not forget the infinite possibilities that are born of faith.

May you use those gifts that you have received, and pass on the love that has been given to you.

May you be content knowing you are a child of God.

Let this presence settle into your bones, and allow your soul the freedom to sing, dance, praise and love.

It is there for each and every one of us.

CHANCEL VISIONING TEAM NEWS

Few would argue that the pandemic has forced almost everyone to re-envision our daily lives over the past year. Businesses have been forced to decide what can and cannot be done remotely, teachers have had to re-envision teaching, health service providers have had to adapt to telehealth appointments, and even the Cambridge English Language Dictionary has been forced to acknowledge a new definition of the word ‘Zoom’. Attending and participating in worship services was no exception. Very early on in the pandemic, it was recognized by church leadership and by public health authorities that in-person worship services were especially hazardous.

As a result of the dangers, Pastor Kim and CE Director Ken Crews were quickly forced to re-envision worship services as a 100% “livestreamed” format. Since then, the re-envisioning of worship has become a process that is still ongoing and evolving. Many challenges have been encountered and overcome, both with technology and with our traditional ways of doing things. A year ago, there were too many distractions, poor audio and video quality, internet hiccups, and poor lighting just to name a few. But as the services continued to evolve, it also became apparent that the environment that constrained us also presented us with new opportunities, new ways to be involved and participate, new ways to enhance the worship services, whether it be from new ways of doing music or from children’s messages captured along the majestic shores of Lake Michigan.

As the CVT continues its work, the experiences of the last year are serving to inspire us in an ongoing process of re-envisioning our physical spaces so that they enhance and revitalize our worship experience into the longer term future.

Towards that end, the actions taken by the CVT since our last update include:

- On January 18, the Elevate Team and your Chancel Visioning Team met through Zoom to review the report on measurements made in the sanctuary and the resulting recommendations regarding the acoustic environment.
- On January 20, the Elevate Team provided the CVT with a written letter summarizing their overall findings and recommendations to form the basis for moving forward with potential physical and/or technological changes within the sanctuary.
- On January 28, the CVT held an internal meeting via Zoom to discuss the findings and recommendations from the Elevate Team. The general consensus was that the team would like to see and be able to assess a wider range of creative architectural concepts than had been provided so far by the Elevate Team. Moderator Linda Long was asked to provide feedback from the meeting to Elevate Team leadership.

As of this writing, a follow-up meeting with the Elevate Team is scheduled for early March to review revisions to their summary and recommendations.

Blessings,

Jerry Kahrs

RESALE SHOP NEWS

It's March, and we begin to see changes in our world. The weather is improving. The days are getting longer, and we can look forward to spring! Big changes happen at the Resale Shop too. We will close beginning March 12, 2021 and will reopen on March 23, 2021 with all new spring and summer merchandise. We will gladly accept your unwanted spring and summer clothing, household items and seasonal decorations. Our proceeds from every item we sell go directly to local charities. We are a "win-win-win" operation. Your closets are clean, our sales boom and our community benefits.

As many of us are taking advantage of the COVID-19 vaccination, we look forward to welcoming back volunteers who have heeded the guidelines and stayed at home. If you would like to share your time and talents with us, please call me at 231-590-5799. The small group that has kept the Resale Shop open for the past year could use your help!

Blessings to each of you as you prayerfully consider how you can assist the ministry of the Presbyterian Resale Shop.
